

Website Enhancements

CONNECTNOW

The PlanConnect® Secure Portal has been redesigned to provide an enhanced user experience. The new site will have all the same great features you're familiar with, but the enhancements will make it simpler to use, mobile friendly, and will also include new features for both Employers and Employees.

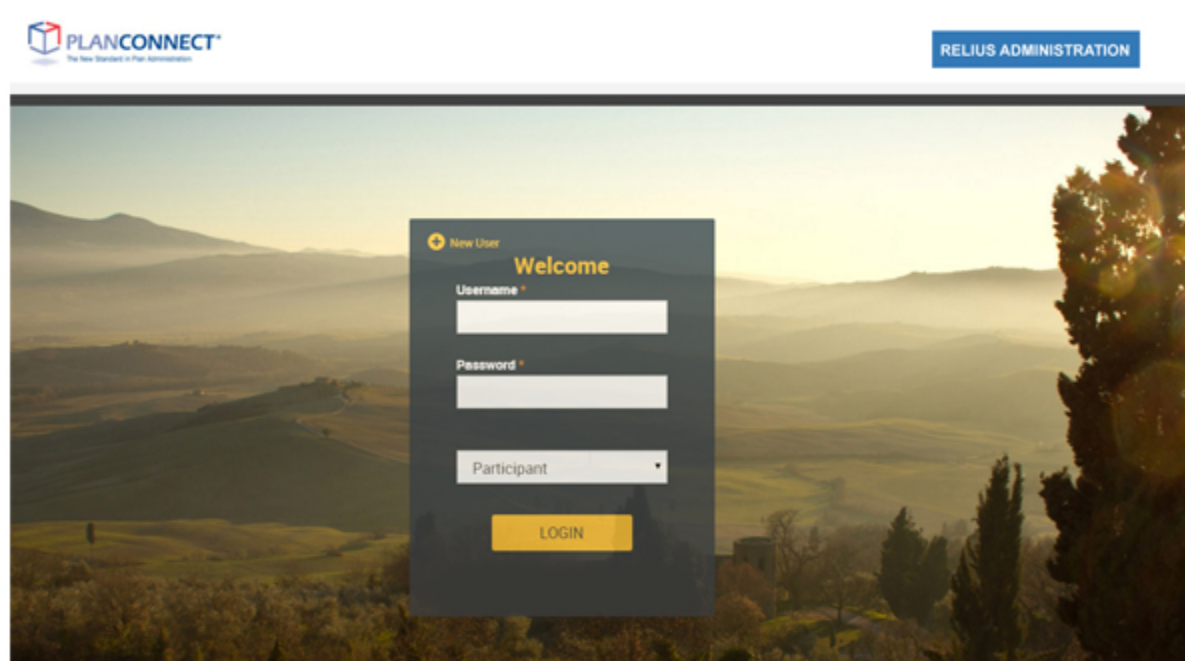

You'll begin to experience the new design before you even login:

Old Design:

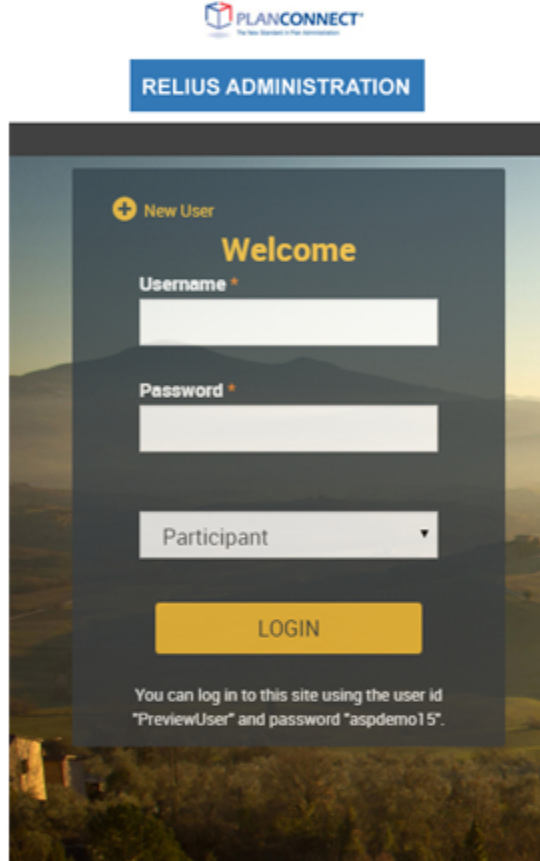

The old design shows a simple login page with a dark header. The main content area has a 'Welcome' message and a 'Sign-in to your account' section. It includes fields for Username, Password, and a dropdown for Select Role (set to Participant). A 'Login' button is present. To the right, there are links for 'Forgot User ID or Password?' and 'Problems Viewing the Site?'. A note at the bottom states: 'Note: Both entries are case sensitive. If you fail to login three consecutive times your account could be disabled.'

New Design:

The new design features a modern, clean interface with a large background image of a sunset over a field. A central dark grey login box contains the 'Welcome' message and fields for Username, Password, and a dropdown for Participant. A yellow 'LOGIN' button is at the bottom. A 'New User' link is in the top left corner of the login box. The top right corner has a 'RELIUS ADMINISTRATION' button.

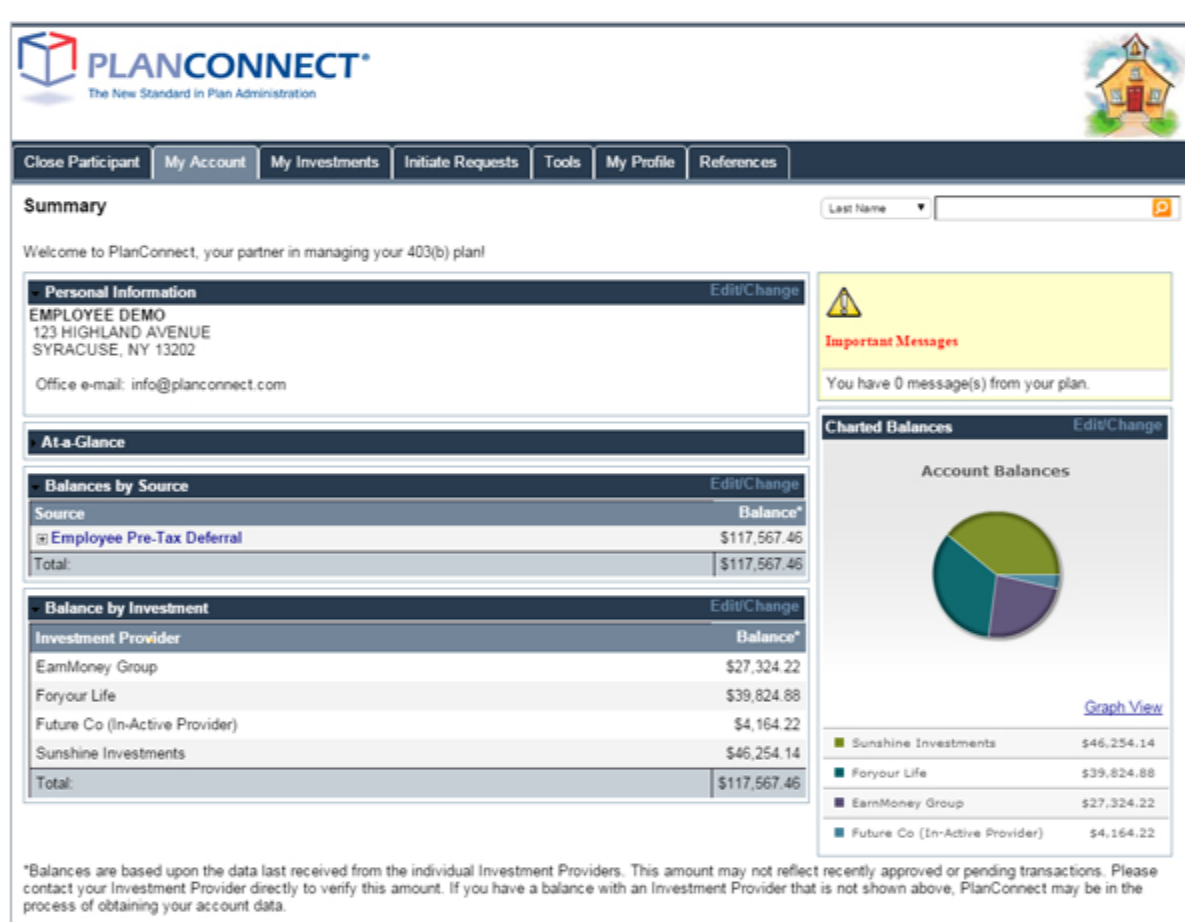

The new design is shown on a mobile device, demonstrating its mobile-friendly nature. The layout is optimized for smaller screens, with the login fields and 'LOGIN' button clearly visible. The background image is also adapted for the mobile view.

You can now take advantage of all the benefits of your employer's plan from anywhere using your mobile device.

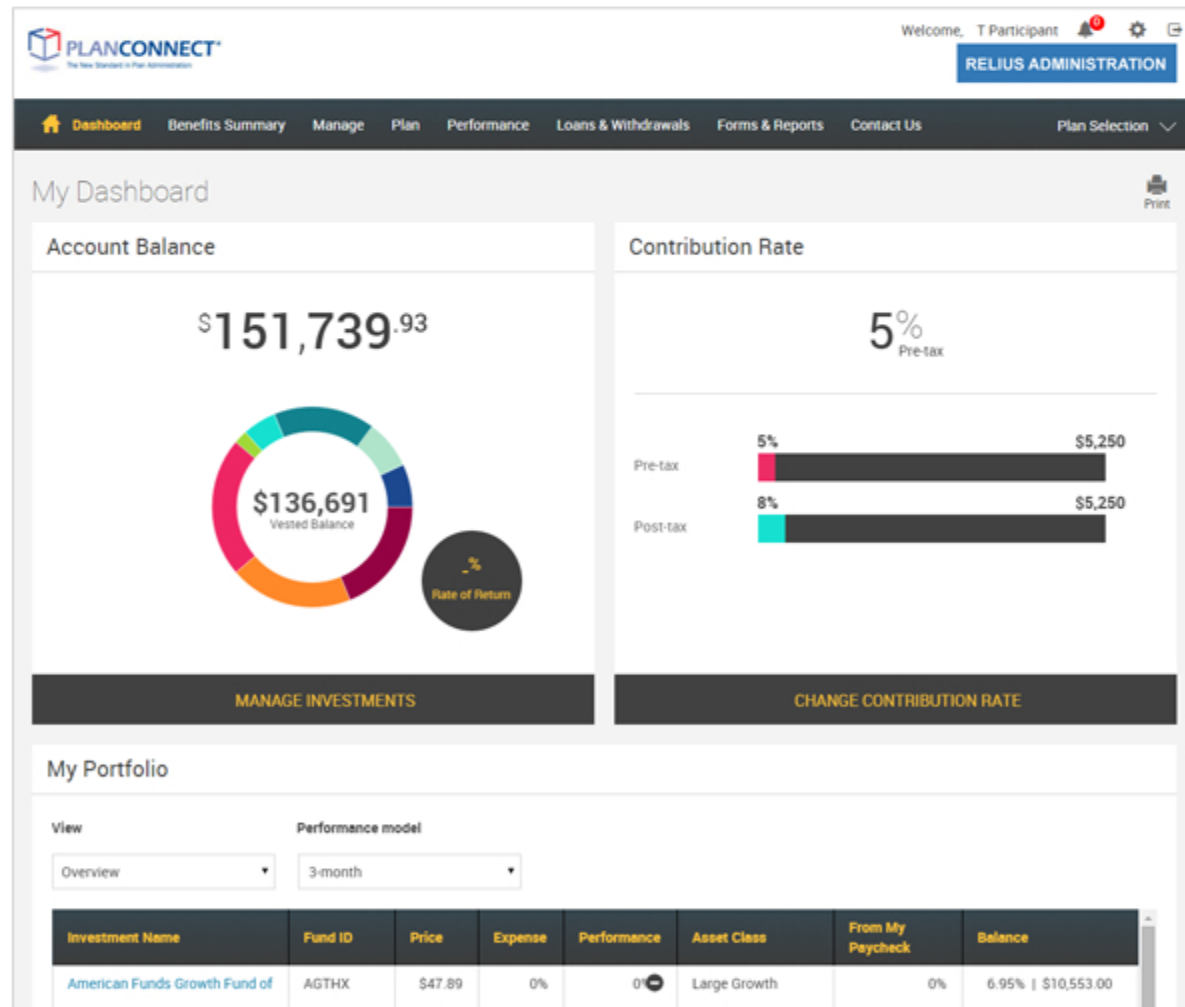

Once you login you begin to experience the advantages of the new design. Below are example of what you'll see when you begin using the new site:

Old Version:

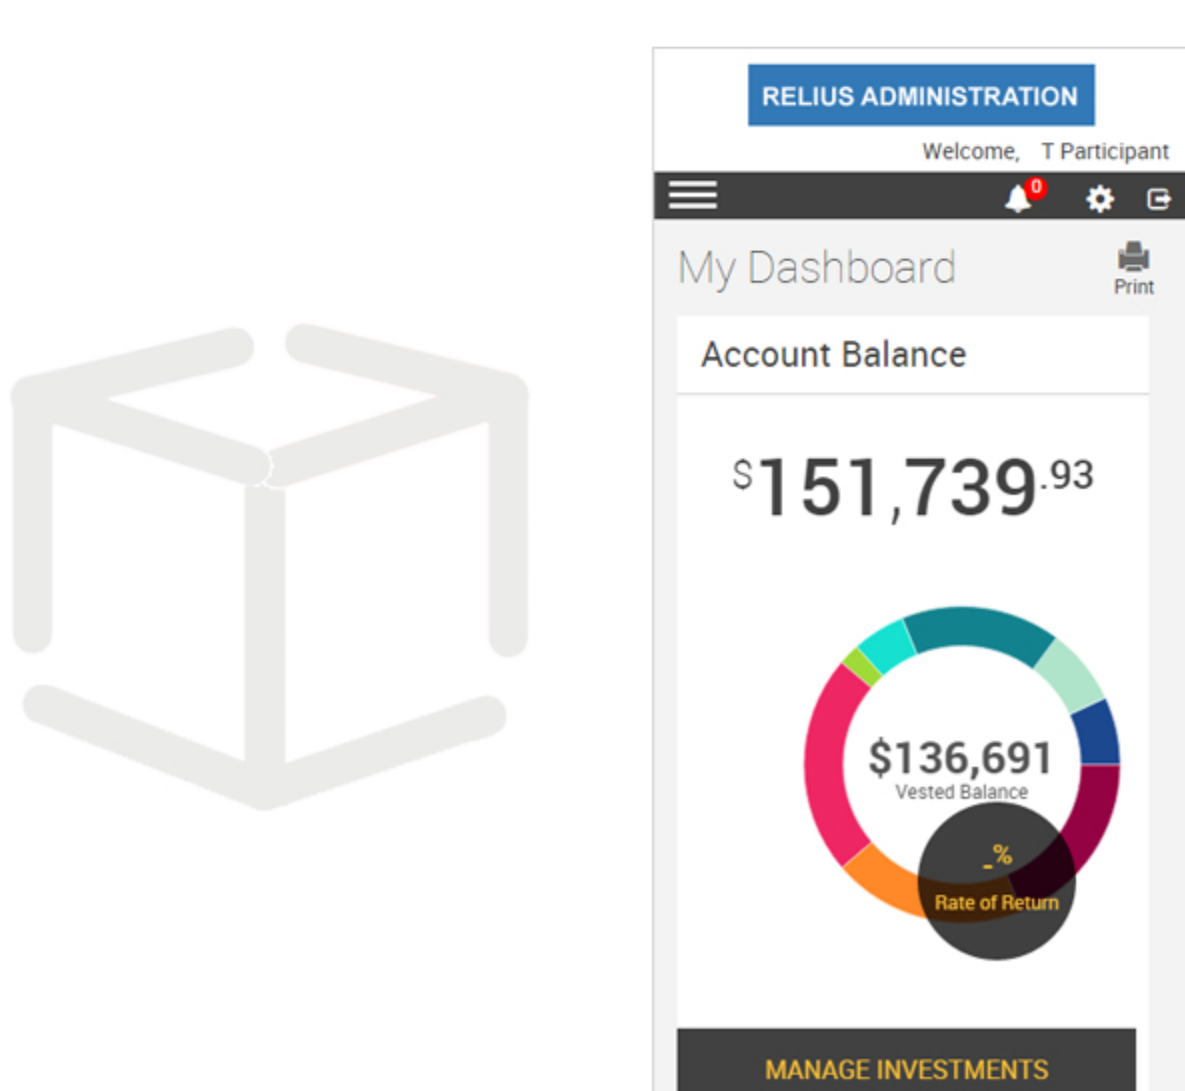

The old version of the dashboard is cluttered with many tabs and sections. The 'Summary' section includes a welcome message and a 'Personal Information' section with fields for Name, Address, and Office e-mail. Below this is an 'At-a-Glance' section with two tables: 'Balances by Source' and 'Balance by Investment'. The 'Balances by Source' table shows a total balance of \$117,567.46. The 'Balance by Investment' table shows a total balance of \$117,567.46. To the right, there is an 'Important Messages' section and a 'Charted Balances' section with a pie chart and a table of investment balances.

New Version:

The new version of the dashboard is more streamlined and user-friendly. It features a 'My Dashboard' section with a large 'Account Balance' of \$151,739.93 and a 'Contribution Rate' of 5% Pre-tax. Below this is a 'My Portfolio' section with a table of investment performance. The table includes columns for Investment Name, Fund ID, Price, Expense, Performance, Asset Class, From My Paycheck, and Balance. The new design also includes a 'MANAGE INVESTMENTS' button and a 'CHANGE CONTRIBUTION RATE' button.

The new design is shown on a mobile device, demonstrating its mobile-friendly nature. The layout is optimized for smaller screens, with the account balance and contribution rate clearly visible. The 'My Portfolio' section is also adapted for the mobile view.

If you have any questions regarding the enhanced Payroll Upload Center, please email us at support@planconnect.com or call us at (800) 923-6669, Monday through Friday from 9:00 am to 5:00 pm ET.
